1/2" COPPER TUBE

This technical drawing illustrates a three-spout kitchen faucet assembly. The assembly consists of a central spout and two side spouts, all mounted on a common base. The central spout is shown in a vertical position. The side spouts are shown in a horizontal position. The drawing includes the following dimensions:

- 135**: The height from the base to the top of the central spout.
- 230**: The total height from the base to the top of the central spout, including the handle.
- 150**: The height from the base to the top of the side spouts.
- 254**: The distance between the centers of the two side spouts.
- 1/2" COPPER TUBE**: The material and size of the tubing used for the side spouts.
